Dear Rochester Adams Golf Booster;

The Rochester Adams Boys Golf Program is sponsoring the 9TH Annual Hacker Golf Outing to be held on May 16th, 2010. This year the outing will include over 120 golfers, friends and supporters of the Adams Golf Program. One of the highlights of last year's "Hacker" was the Hole Sponsorship Program. Twenty plus local businesses and individuals joined the Adams Golf family and sponsored a hole. This program will be continued and hopefully expanded for this year's event.

The cost of sponsoring the "Hacker" is on the back. We have various ways you can sponsor this year. Please take a look at them, as we will have certain sponsorships be "exclusive". Hole Sponsors will have a silk screened flag, sporting their company name or logo, which will be flying on one of the 18 holes, range or practice areas in use during the tournament. Signs will be made for tee and other sponsorships. In addition, all sponsors will be honored in the "Hacker Backer" promotional book given to every participant and all sponsors will be posted on the Rochester Adams Golf website.

To be a sponsor at this year's event please fill out the enclosed form and return it to a member of the Hacker Organizational Committee or to Coach Dan Picot at Rochester Adams High School. Please make sure that the necessary business information and a copy of the business logo is enclosed. For more information or questions contact Coach Picot at Adams High School. Make checks out to Rochester Adams Booster Club.

We would like to thank you now for your past and future support of the Rochester Adams Golf Programs. Please contact us at Rochester Adams High School if you would like to be involved in our "Hacker" golf outing or if you have questions or ideas. Thanks again!

**Parents & Friends of Adams Golf
& Coaching Staff**

Hacker Sponsorships

Hole Sponsor: \$70.00

Putting Green Sponsor = \$100.00

Range Sponsor= \$100.00

- Please indicate on the form which level of sponsorship.
